<p>Background Information: Insert as much information as possible so that councillors have the detail that they need in order to make an informed decision</p>	<p>A request has been received asking whether the Parish Council could install two Grit Bins in Dark Lane and Tadhill Lane.</p> <p>Mendip County Roads were contacted as to whether the location would be feasible, and in principle they would have no objection to grit bins being installed at these locations, we might need to confirm the actual location.</p> <p>The Grit Bins need to be purchased from one of their referred suppliers – Glasdon, Greenham or Concept Products Ltd. Prices vary from £152 to £180 + VAT</p> <p>Once ordered the grit bin is delivered directly to the council depot in Glastonbury, it is then delivered to the location and filled towards the end of the year when all the bins in the Country are filled for the winter.</p>
