

# Stoke St Michael Parish Council

**MEETING Date: ...Thursday 25<sup>th</sup> November 2023.....**

<p><b>Agenda Item:</b> Insert wording to appear on the agenda. Remember to make it clear what you are asking your fellow Councillors to do. "To consider..." " To note..." "To review..." "To resolve..."</p>	<p>Proposal to approve the quote for repairing the wall by the Lychgate due to damage</p>
<p><b>Background Information:</b> Insert as much information as possible so that councillors have the detail that they need in order to make an informed decision</p>	<p>After contacting a local building company, a site visit was carried out. They recommend taking down the corner of the wall as the top section has also suffered over the years and is starting to crack and crumble and starting to lean.</p> <p>They would then use a Mendip Stone Dust and Sand Mortar mix to reconstruct and tie the corner safely back into the existing wall.</p> <p>The cost of works as detailed including all labour and materials will be £390.</p> <p>The company are not VAT registered so there would be no VAT included.</p>

## Note

This is the wall that has been hit on the road side, although the wall behind the sub station was also requested to have a quote for repair. I would assume the price would be about the same but I can double check.
